Please read the following purpose statement of the Vision Fund as approved by the IAYM Stewardship Committee (05/18/2021):

The IAYM Stewardship Board strives to maintain reserved funds (retained earnings) each year equal to three months of the budgeted operating expenses for the year. At the end of each year the Vision Fund receives any remaining unallocated income over and above the retained earnings goal. The general parameters for use of Vision Funds are:

1. Funds may be allocated to any of the IAYM Faith Ministries and/or:
2. Funds may be allocated to special ministry activities by individuals and churches within the IAYM constituency that clearly actualize IAYM's stated mission: *The Body of IAYM exists to exalt Jesus Christ by becoming fruitful disciple-makers and expressing God's love by serving all people (John 15:1-17).*

A. Funding ideas/requests will be considered at the end of each quarter throughout the year for as long as there is money available in the Vision Fund. Generally, these are one-time grant distributions.

B. Requests for funding should be sent to the IAYM office and include:

1. Description of the project/ministry including who will be involved
2. Amount of funds requested
3. Statement for how the project/ministry makes or trains disciples, or otherwise supports discipleship/outreach

Note: The Stewardship Board encourages meetings to consider encouraging their young people to apply for admission to the Kaleo leader/discipleship program. This is one example of a kind of ministry that the board was pleased to invest Vision Funds. Info for the Kaleo program can be found at <https://www.barclaycollege.edu/kaleo/students/>
