Whitehead

The Whiteheads began their missionary service with MAF in Nicaragua. They then moved to Venezuela and after 11 years, accepted a new assignment as Program Manager in Shell, Ecuador, in 2005. Recently, Dan took on the new role of Regional Manager for MAF in Latin America, and shares, "I keep returning to God's promise in Isaiah 41:10 when I start to worry or fret about things. He is the One who keeps me and gives me strength." As with many ministries in this region, MAF programs in Latin America have moved toward nationalization, and he now has the privilege of working with national affiliate programs in Ecuador, Brazil, Suriname, Guatemala, and Mexico. He also continues to fly in Ecuador, helping the program there in that way. Away from the hangar, he continues to enjoy music and act as worship leader at their local church.

Tracey juggles a multitude of ministries, in addition to creating a loving Christian home for her family. The Ecuador program is steeped in mission history, and MAF has been there over 60 years. Many people still stop by to visit the Shell base because they were touched by the story of the 5 missionaries, including MAF pilot Nate Saint, killed by the Waorani Indians more than 50 years ago. Tracey helps the Shell base by coordinating the use of the guest apartments and the historic Nate Saint house. By purchasing supplies and coordinating their shipment to remote interior jungle sites, Tracey provides a valuable service to the interior jungle missionaries too. She also enjoys participating in the ladies Bible studies that are always available in the mission community.

Dr. Royce Frazier is the President of Barclay College, Haviland, Kansas. He is a graduate of Emporia State University and Barclay College. He earned his Masters degree in Marriage and Family Therapy (Clinical) from Friends University and received a Masters and a Ph.D. in psychology with an emphasis in clinical psychology from Fielding Graduate University in Santa Barbara, California.

Royce taught and coached before accepting the position of Superintendent of Youth Ministries for Evangelical Friends Church – Mid America (EFC-MA). Royce served in that capacity for the next 18 years and had opportunity to develop youth leaders, denominational camping ministries, ministry opportunities for teens, conferences, retreats, and our national youth conventions. He was Executive Director of Camp Quaker Haven and was privileged to chair the only international Youthquake convention.

He was also instrumental in the initiation and accreditation of the new *Barclay College School for Graduate Studies*. He is an instructor in the Master of Arts in Transformational Leadership program.

"God has worked a miracle and everyone connected with Barclay College knows that we are thriving today because of God's mercy and movement on our campus. It is humbling to be in God's hands and trusted to be doing this work."

### Creative Tools for Maximizing Charitable Giving

### "Finding people's strengths and putting them in the right places"

Led by  
Spencer  
Thury

"Though the primary example of the Strength Finders program would be using the inventories in organizing leadership at WPU campus ministry, I am looking for a few volunteers to be willing to read the book and take an online test. I could then demonstrate for actual people how the information could be applied in a real ministry setting."

### Other Workshops Include:

Christian Education—HANDS-On Technology!

Missions—Effective Short Term Missions

2 more workshops are also "in the works"!

## 2012 Belize Friends School

Robert Varela first came to the Belize Friends School during the 2010-11 academic year. Robert frequently said, "I am as dumb as a rock." He was barely able to read and had low self-esteem. We knew it was important to help him feel successful, so we entered him into our two-year program and started him at the lowest level for math and reading. As he began to learn the basic skills and progress in his studies, he began to feel success and a boost in his morale. Throughout his first year, we progressively increased the difficulty of the work. By the time the 2011-12 academic year began, Robert was ready to participate on an equal level with our one-year students. He stopped saying he was as dumb as a rock and now believed in himself. He has done well this year, showing consistent progress and good work. His mother is so appreciative for all we have done for Robert. This could not have happened without the Belize Friends School. Thank you for remembering the school, faculty, and students in your prayers this month!

LeGrand Friends Church (LFC) announces that Sharese Mullikin is the 2012 recipient of the Vandervelde Scholarship. She is graduating from East Marshall High School on Sunday, May 20, 2012 and will attend Barclay College in Haviland, Kansas this fall to pursue a Bachelor's degree.

Sharese has been active in LeGrand Friends Church, singing with the Sunday morning Worship Team, leading music for children at Vacation Bible School, and helping teach the mid-week children's program, Pioneer Clubs. She has also participated in special holiday dramatic musicals and has led The Edge (a monthly youth-led Worship service.) She has served on the Iowa Yearly Meeting Youth Executive Board and as such, has helped plan camps for Camp Quaker Heights, as well as other special events. Throughout her school career, Sharese participated in choir where she was chosen for All-State Chorus, band where she was marching band drum major, volleyball, basketball, speech, musicals, plays, National Honor Society, and Student Council.

The Vandervelde Scholarship is made possible through LFC by a grant from the late Marjorie Vandervelde and her family in honor of her father, the late Dr. E. M. Mills. Dr. Mills was LeGrand's country doctor in the early 1900s. Recipients of the scholarship are judged on a combination of qualities including educational goals, character, church involvement, and financial need. The scholarship has been awarded annually since 1996.
