# THE IOWA FRIEND

## Iowa Yearly Meeting of Friends

### 2018 Ministry Conference (aka Yearly Meeting)

will be here before you know it. I'd encourage you to make plans now to join us. The theme "Sowing, Growing, and Going," is based upon Galatians 6:7-10. Some of the concepts of focus will be (v.7) "a man reaps what he sows," (v.8) "sowing to please the Spirit reaps eternal benefits," and (v.9-10) "do not become weary in doing good." More information will be shared regarding schedule and registration as details are finalized. Please contemplate adding these meetings to your prayer list and consider fasting prior to our sessions. As we approach our Yearly Meeting session, may we seek God's agenda for Iowa Yearly Meeting.

The speaker for Wednesday and Thursday worship gatherings is Joel Zoborowski. He is the Associate Director of Leader Development for the Sonlife organization ([sonlife.com](http://sonlife.com)). From their website:

"How did the message of the gospel saturate the entire ancient world in less than 30 years without cars, the Internet or smartphones? It spread from person to person as early Christians obeyed Jesus' command to "go and make disciples." These believers followed the disciple-making method and model of Jesus, the Master Teacher. As they did, others came to know Him, not just about Him! And they in turn became Christians who discipled others, multiplying a movement..."

Sonlife's disciple-making resources, including our 4 Chair Discipling book, help you understand how to apply Jesus' process to your own ministry, whether you're a part-time volunteer doing one-on-one disciple-making, a youth pastor leading student groups, a bi-vocational church-planter growing a new ministry, or a full-time minister leading in an established church." ([Sonlife.com](http://Sonlife.com))

In addition to the business sessions about the ministry of Iowa Yearly Meeting, there will be times of fellowship, workshops, conversations, worship, and prayer. One added element this year will be the opportunity on Thursday morning for board representatives to share highlights of their work and allow time for questions and answers in a more casual setting. Two boards at a time will be sharing in different settings and representatives can choose which session in which to participate. During the afternoon, the business sessions will take place and the more formal board reports will be shared.

As we approach these sessions, now is the time for your meeting to consider representatives. Who is actively engaged in your local meeting and can represent your meeting during our sessions? Additionally, when that person participates, will they return to your meeting and share information, summaries, and highlights of the Yearly Meeting events? Each local meeting is expected to send one delegate per 50 members.

**We look forward to seeing you in Oskaloosa, Iowa,**

**July 25-28, 2018.**

Our Ministry Conference will kick off on Wednesday (7/25) with prayer and open worship @ College Avenue Friends @ 4 pm. Our evening worship service will take place at College Avenue Friends @ 6:30 pm.

Thursday (7/26) will feature our board reports and General Meeting for Business.

Friday (7/27) will highlight our annual memorial service in the morning, workshops in the afternoon and a recording service in the evening.

We wrap up on Saturday (7/28) with our annual

Missions Banquet!

### Thursday Morning (7/26)

#### Q & A time with our IAYM Boards

We are offering something new this year. Our boards will take turns hosting "round table" times for folks to engage in conversations and questions for them and their work with their board.

We will set aside four 20 minute timeslots for 2-3 boards to be available for our constituency members and representatives to chat and interact with them. We hope this will help our committees clarify talking points for the report session in the afternoon at the Body of Representatives Meeting!

## Guest Speaker:

Joel Zaborowski

**Joel will be our speaker for our evening services on Wednesday (7/25) and Thursday (7/26) and will also present a workshop on Friday afternoon!**

Joel is the Associate Director of Leader Development for Sonlife Ministries. He trains, coaches, and mentors pastors, youth pastors, and ministry leaders across the U.S.. He has written training material for Sonlife, and leads their life-of-Christ disciple-making study tour in Israel.

Joel had been involved with Sonlife Ministries since 1989 as a coach, trainer, and missions leader, before becoming a missionary with them in 2012. In addition to his years with Sonlife, he has 29 years of pastoral experience, having served as a youth pastor, associate pastor, church planter, and senior pastor in Pennsylvania, Ohio, and Montana. He is credentialed and ordained with the Evangelical Free Churches of America, and is currently helping plant and EFCA church in his area. Joel and his bride of 27 years (Stacey) currently live in north-central Ohio. They have a daughter and son-in-law who live in Utah, a son in college in Michigan, and a son at home who is in high school. He loves to coach sports and spend time in the woods with a gun.

## Technology and Ministry Workshop

This 2 hour workshop will be held at College Avenue Friends and will focus on how to use technology with your meeting's ministry!

## Growing Young Workshop—Katy Moran

Many churches today are both shrinking and aging as more young people disengage. Based on groundbreaking research with over 250 of the nation's leading congregations, **Growing Young** provides a strategy any church can use to involve and retain young people. It profiles innovative churches engaging 15-29 year-olds that are growing - spiritually, emotionally, missionally and numerically. Packed with ideas, **Growing Young** shows ministry leaders how to position their churches to reach younger generations in a way that breathes life into the whole church.

[churchesgrowingyoung.com](http://churchesgrowingyoung.com)

Katy (Palmer) Moran is the Project Manager for Kaleo Academy, a national leadership development program for Friends students hosted by Barclay College and a Recorded minister in Indiana Yearly Meeting. Katy, and her husband Carlos, live and work in the Indianapolis area where Carlos is the pastor of an Hispanic Friends church plant.

## Caring for Clergy Workshop—

Tom Showalter

Based upon research by others, the condition of many pastors and their families is not healthy. According to research provided by "pastoralcareinc.com", pastors are overworked, worn out, and living unbalanced lives. Many feel unprepared for the duties of ministry. They face disillusionment when their expectations of the calling are different than the reality they now face. Can pastors or their congregations thrive when this is the condition of the pastoral leaders who are leading them? Pastors need those within their faith community (or nearby) who can be their advocate, encourager, and champion. Pastors and the congregations they serve would greatly benefit from resources that will help address unrealistic expectations, new models for evaluating effective ministry, and renewed focus on the biblical mission of the church.'

## Missionary Care Workshop

Our IAYM Missions Board will present a workshop on missionary support while in field and on furlough. The "Missionary Care Seminar" was put on by OMF in Fairfield. We will be using this information as the basis for the 2018 Missionary Workshop at Iowa Yearly Meeting.

## Everence Financial Workshop

Our friends from Everence will present a workshop that will support financial ministry within our local ministries.

### Missions Banquet Speakers

**Daniel and Sarah Zagami** are serving in Clarkston, Georgia a suburb of Atlanta the New York Times has called "the most diverse square mile in America." While living internationally in refugee apartment housing along with their three children, they are engaged in relationships with several ethnic churches and ethnic church leaders who share a similar vision for starting reproducible refugee churches.

Prior to relocating to the USA in 2015, Daniel and Sarah worked in Africa for a total of 10 years. Daniel served in Lesotho before meeting Sarah in graduate school in the Chicago suburbs where he was involved with refugee literacy. Together, the Lord called them to Madagascar in 2008. In Madagascar, they facilitated a church planting strategy to engage the remaining unreached people groups in the country and initiated a Malagasy missionary training platform in the capital city.

The Zagamis vision is to develop new Christian fellowships among people who have not had an opportunity to follow Jesus Christ.
